“ Our Holiday party at BB Kings was a huge success thanks in part to your absolutely great band The Platinum Groove . To put it into words from most of the crowd, “they were awesome!” A good time was had by all.”

- Marge Evans , Director of Events , Amgen

“I’m writing to thank you for your band The Platinum Groove. They were fantastic. Our client, a mortgage insurance provider, always goes “top notch” for their annual sales conference. Year after year, we are finding it harder and harder to continue to find ways to make their sales conference unique, refreshing and an event to remember. The Platinum Groove gave us that edge this year. The sales reps were up on their feet and dancing! Just the way we like to end a conference – upbeat , enthusiastic and fun.”

“My family and I saw you at the Santa Clarita Concerts In The Parks tonight. Through all of the years we've attended the concerts, you are by far the best and most entertaining band that the city of Santa Clarita has ever scheduled. Your energy was constant, your likeness to the songs you played was incredible, and your song list was capturing for all. It was remarkable how the progression of every song built on the previous song, until finally you had the entire Santa Clarita crowd up bouncing, dancing, and thoroughly enjoying themselves. From my entire family, thank you, and we truly want to see you next year.”

- Santa Clarita Parks Regulars - The Gately and family

The band was perfect for our conference and put on a great show! “ You were right they played hit after hit like an ultimate live play list.” and letting you and Frank choose the songs was key. The guests danced all night and we got lots of compliments on them and the whole event. Please forward the applause on to the band members.

“ The Platinum Groove put on a wonderful performance at our reception, May 3, at the Richard Nixon Library. After the first dance, the bride said, when she heard the singer hit that first high note in "Let's Get It On" she knew we had found a great band. The song they learned for the father daughter dance was perfect. The MC functions, break music, lighting, song selection and enthusiasm was very professional. Everyone stayed to dance to the last song. Thank you for your patience and assistance. I hope we do it again with our second daughter. Just not too soon.”
